

## Product Data Sheet

# ESSO PLUS

## Premium Quality Single-Grade Engine Oil

April 2009

ESSO PLUS\* Engine Oil is a premium mono-grade engine oil which meets most car makers service requirements of API SL, SJ, SH and SG, and in addition, meets the heavy duty diesel requirements API CF and CD.

- ◆ Recommended for gasoline and diesel passenger vehicles and heavy duty gasoline engines
- ◆ Available in 30 grade

### *Primary Applications*

ESSO PLUS Engine Oil is available in an SAE 30 grade only and meets the requirements of API Service SL/CF. Single grade oils are not recommended for recent model automobiles.

### *Precautions*

ESSO PLUS Engine Oil is manufactured from high quality petroleum base stocks, carefully blended with selected additives. As with all petroleum products, good personal hygiene and careful handling should always be practiced. Avoid prolonged contact to skin, splashing into the eyes, ingestion or vapour inhalation. Special care is also recommended in handling used motor oils. An ESSO Service Data Sheet entitled "Safe Handling of Used Motor Oils" is available on request from your ESSO Representative. Please refer to our ESSO Material Safety Data Sheet for further information.

Note: This product is not controlled under Canadian WHMIS legislation.

### ***Typical Properties***

Density, kg/m <sup>3</sup>	888
Kinematic Viscosity, cSt @ 40°C	100
@ 100°C	12.1
Viscosity Index	108
Pour Point, °C	-24
Flash Point, COC, °C	225
Colour, ASTM	3.0
TAN	1.2
TBN	8.2
Sulfated Ash, wt%	1.0

*The values shown above are representative of current production. Some are controlled by manufacturing and performance specifications while others are not. All may vary within modest ranges.*
